EDINBURGH ZOO

Have a great day at the Zoo

We hope this map will assist in planning your day.

The map points out the **main** areas of the Zoo which are **unsuitable** or **difficult** for people in **wheelchairs** or visitors with children in **buggies**. Where steps are shown there is an **alternative route** nearby. Areas marked in **red** ➔ and **pink** ➔ are **particularly steep**.

Hungry? Our cafeterias **Stripes** and **Oasis** have easy access to disabled toilets and baby changing facilities. The **Mansion House** Dining Room, Bar and toilets are on the ground floor, but we regret that the upstairs Coffee Lounge is not accessible for visitors in wheelchairs.
